

Lido Palace: 5- star luxury in Riva del Garda

Amid beautiful scenery and majestic nature, the Lido Palace in Riva del Garda offers the best solutions for 5-star facilities and entertainment

Lido Palace is located in Riva del Garda, one of the most picturesque locations on the Trentino shore of Lake Garda, where nature offers exciting landscapes and dramatic rocky cliffs are reflected in the lake.

The **Lido Palace** is the only 5 star luxury hotel in the Trentino region and is affiliated to "**The Leading Hotels of the World**", the largest international organization of luxury hotels.

The hotel presents a style that combines a strong contemporary and modern identity and upscale amenities with the beautiful elegance of the past whose renowned guests had made it famous during the Belle Époque.

The fascinating history of the Lido Palace begins in **1899**, when it was built to compete with the best hotels that arose throughout Europe and to be the reference of an area destined to become the Riviera of the Habsburg Empire.

After a two years refurbishment, the Lido Palace is back on the scene since **June 2011** with a new look, distinguished by elegance in an art nouveau style. In perfect harmony, the new building complements the surrounding nature with a contemporary dialogue, thanks to the play of transparencies produced by large windows and new areas that almost become one with the park and the lake.

Surrounded by a **historic park of 12,500 square meters**, today's Lido Palace offers its guests **42** rooms - including 6 suites and 6 junior suites - equipped with every comfort and overlooking the lake, two restaurants run by **Michelin-starred chef Giuseppe Sestito**, three conference rooms, an indoor and outdoor pool and a magnificent **Spa**, the **CXI "Centoundici"** (one hundred and eleven), offering a range of treatments as well as individual or couples experiences that involve all the senses.

Rooms and Suites: elegance and design

All rooms at the Lido Palace are distinguished by their elegance and modern style that characterizes all areas of the hotel. Equipped with all modern comforts, they ensure five star service thanks to the latest technologies such as **climate control, satellite TV, free Wi- Fi, king- size beds**, bathrooms in **Corian, heated resin floor** and more.

In detail, the hotel has **27 rooms Premier and Deluxe rooms, 6 Junior Suites**, and on the executive, top floor, **4 Executive Junior Suites and 2 Suites: the Baldo and Apponale**.

The **Premier and Deluxe rooms** have an area of 35 to 45 square meters, a bathroom with tub in Corian, work desk and classic wardrobe with interiors in solid wengé wood.

The **6 Junior Suites** occupy a floor area of about 55 square meters with views of the lake and are equipped with all the amenities included in the Premier rooms as well as a living area with sofa and chair, and a bathroom with bath and separate Corian shower cabin.

The **4 Executive Suites** include all the features offered in the Junior Suite, but with 60 square meters are more spacious. They are distinguished by their bright atmosphere and offer a unique view of the surrounding mountains and the lake. Finally, **2 Suites** named **Baldo and Apponale** are the premium accommodations at the hotel: Located on the top floor, the Executive floor, they are lake front and are a full 120 square meters. They are equipped with a lounge and bar area, fully equipped bathrooms with "lake view" bathtubs and a terrace that offers a unique view.

The Restaurants at Lido Palace

In an environment with large windows overlooking a beautiful landscape, you will find "**Tremani Bistro**" and "**Il Re della Busa**", the two restaurants of Lido Palace.

Directed by Giuseppe Sestito, the Executive Chef with international experience, the cuisine of Lido Palace is a sublime example of how quality ingredients, combined with the expert hands of a talented chef, can surprise and delight, making simplicity something exceptional.

A long culinary tradition, innovation in tastes, an excellent selection of wines and a cuisine that is never static and mundane, are the perfect combination to satisfy even the most discerning palates.

The **Tremani Bistrot** warmly welcomes guests with an extraordinary and romantic view of the lake and the mountains that dominate Riva del Garda. It is the ideal place to enjoy a wide selection of tasty and light meals prepared with the finest Mediterranean ingredients, also designed to suit the pace of a working lunch. The refined service tops this exclusive offer.

The restaurant **Il Re della Busa**, sophisticated and high-impact, extends in an environment with an exclusive terrace overlooking the lake. Illuminated by candlelight or moonlight, in an elegant setting, Executive Chef Giuseppe Sestito astounds with a cuisine based on fish from the sea and lake, as well as a variety of locally sourced products. A selection of wines designed to complement the gastronomic selections help create a true 5 star culinary experience.

And there's more... those who want to immerse themselves in the elegance of the Lido Palace can stop at any time of the day to have a drink at **Bali Bar**, located inside the historic building under a ceiling adorned with beautiful Art Nouveau stucco work.

Area meetings: three rooms immersed in peace

The three meeting rooms all overlooking the park of Lido Palace are the perfect place for any event, offering the best choice for business meetings. They are perfect for executive board encounters, team building, meetings and presentations for up to 50-60 people.

Wi-Fi, the latest equipment, video projectors, screens, magnetic boards and a comfortable atmosphere make the three meeting rooms at the hotel especially suitable for business meetings in a setting of nature and relaxation.

The **Albola room**, measuring 28 square meters, is the smallest of the three and overlooks the park on two sides. Its structure makes it particularly suitable for classroom or horseshoe style set ups, and as it is equipped with all the tools and equipment needed, the space is suitable to host small business meetings.

The **Adige room**, with its 65 square meters and a capacity of 50-60 people is the largest room.

The large windows on one side, the deep dimensions, the chairs arranged in rows with folding desks, a video projector and motorized screen for presentations, and a moderator's table with microphones make it a fully functional conference room.

The **Sarca room**, 47 square meters and equipped with a large oval table, is the perfect setting for meetings of 10-14 people.

It is simple to adapt the rooms to any type of request. Our team of talented chefs at Lido Palace can customize menus according to specific requests; all in an exclusive environment with impeccable service-- *that* makes the difference.

CXI "Centoundici" Spa: well-being for body and soul

The **CXI Centoundici Spa** of Lido Palace offers guests a variety of treatments and services that involve all the senses. Through their unique style, research and continuous innovation, they are part of a tradition that has made Riva del Garda one of the favoured destinations over the years for those seeking mental and physical regeneration.

There are many alternatives: indoor and outdoor pools, spa, treatments, products and moments of well-being. A unique opportunity to try custom treatments, for individuals or couples, the heat path, the warm bath, the Mediterranean sauna, steam room and the salt area, a heated room with brick walls of rock salt, pinkish in color, to offer new energy and balance .

The **CXI Centoundici Spa**, surrounded by nature in the garden and the lake, was designed to emphasize the effects of the most relaxing and rebalancing of all his treatments. Each of these has been developed within the CXI Spa, where the custom of personalized treatments promotes research and the continuous creation of new offerings, always designed with the guest's wishes in mind.

At the same time, the **CXI Spa** strives for a high degree of innovation in methodology and tools, making use of quality products: a prestigious brand like Sensai - Kanebo as well as a high performance cosmeceutical that was developed through extensive research, to give birth to the CXI white grape line.
