CXI
SPA

The innovative path of wellness and beauty of CXI Spa uses outstanding cosmeceutical products in synergy with the most prestigious organic products. Selected from the best international proposals, they help restore inner and outer balance. Luxury, Beauty, Nature, here and now.

NIANCE® Prestigious anti-aging treatments from Switzerland

CXI SPA and NIANCE® are innovative anti-aging treatments for face and body, characterized by their exclusive active ingredients and massage techniques. The senses relax, while these pioneering products use the fruits of their research for remodelling, slimming and firming the body, offering softness, luminosity and freshness to the skin.

SKINCEUTICALS All about the skin

CXI Spa and Skinceuticals, an internationally known brand, offer exclusive anti-aging treatments that combine these famous fast-absorbing products in specific medical aesthetic treatments. A recent discovery, with high percentages of pure, active ingredients, and a formulation without fragrance, this product outperforms the moisturizing and anti-wrinkle creams on the market today. Their antioxidant action, fully compatible with all skin types, is much more complex and active in protecting, preventing and correcting signs of aging.

CXI Luxury from nature

The know-how that combines the scientific expertise of the properties of plants with a thorough understanding of the vital energy meridians of the body, has been acquired in over 35 years of aromatic rituals. This is a unique treatment derived from a rigorous selection of natural ingredients, dosages and exclusive blends of active ingredients; treatments for daily use that take your relaxation to the next level. These active essential oils, a real energy concentrate, are especially formulated for optimal compatibility with the skin. The concept of beauty is inseparable from the concept of nature, respectful of its balance and its regeneration.

OXY - O2 innovative 99% pure oxygen

Non-invasive method that stimulates and regenerates the skin, conveying the active ingredients into the deeper layers of the epidermis in a natural and painless manner. It is the perfect ally for timeless beauty.

SALUTE E BENESSERE

the seven ceremonies

The CXI Seven Ceremonies redefine the concept of luxury, letting waves wash over the wellness area, where the focus is on the senses, nurtured and enhanced by precious and exclusive organic ingredients.

This exclusive selection of massages inspired by the world, immerses you in daily rituals of distant lands, rooted in the past and reinterpreted in an original way at the CXI spa to ensure a unique experience.

We offer experiences from the ancient ritual of the Japanese bath to the crossing of the South Seas to Malaysia, from the suggestions of a Garden of Earthly Delights in the Middle East to seeking the warmth of the stones of the Northern Gems, from the magic of ancient China to the realization of a Burma dream, then moving to the Andaman Sea, where this Indian land inspires the return to soul and body well-being, accompanied by personalized advice in choosing the right location where you can get swept away.

Ofuro

The ancient Japanese ritual for couples

Not only a journey through space, but also in time, to the island that is so far away in traditions and rhythms: Japan. A warm bath, a purifying and regenerating experience that recalls ancient customs, becomes an immersion into an experience dedicated to gentle touches and thoughtful gestures. The scent of lotus and neroli emanated on the body by the use of fine rice cream, relaxes and melts tension from head to toe.

80 MINUTES / 390 € PER COUPLE

Talingo

Journey to the South Seas

Talingo, the ancient ritual of relaxation and regeneration that is fast-paced and accompanies this journey in search of well-being. It starts from Thailand, where the body is greeted by intense movements of stretching and joint mobilization from the ancient tradition of Thai massage, which offers new energy and elasticity for the muscles. The hair and the head will then be wrapped by the sweet fragrance of carrot and prickly pear oil, while the flowing movements of the Malaysian full-body massage, accompanied by the scent of champaca flowers, will help you reach deep well-being.

80 MINUTES / 210 €

Loukum

The Garden of delights

This experience takes you to the Middle East in mysterious and lush exotic gardens, for an authentic and ancient sensation. Pistachios and almonds, the essential ingredients of the Turkish sweet "Loukum", play the leading role in an exfoliating and invigorating massage, which prepares the skin for a warm bath, topped off by delicious aromas of a typical Middle Eastern market. Next, an awakening of the senses begins softly with a light dripping of warm butter on the skin, in a relaxing massage that wraps the body in a delicate essence of lotus and plumeria.

140 MINUTES / 340 €

Baltic amber

Gems of the North

In the whiteness of the northern ice, like a jewel imprisoned in a cold glass case, amber embodies the secrets of the oceans and time. This ceremony chooses journey as an element, via butters and essential oils, to transmit a long amber embrace creating harmony throughout your body. A massage with warm amber stones and heated Baltic butter, keepers of the secret of the heat of the earth that surrounds and calms the senses. It melts away all the tensions of the body and restores well-being.

110 MINUTES / 280 €

V

The weaver

Ancient China

This delicate ceremony designed for the hands takes guests to ancient China, to discover the secret of the soft hands of the weaver, influenced by the delicacy of the precious fabrics woven for the empress, that his fingers touch and work with patience and meticulousness. A mask of honey, rose and ginger melts with the heat of the body, releasing all their nutrients and anti-aging properties. The intense aromatic notes of a massage that also involves the head and shoulders, bring to mind the scents of flowers gardens of the Far East, a memory which remains on your hands.

50 MINUTES / 90 €

VI

The equilibrist

Burma dreaming

As a journey through the Bay of Bengal and the northern mountains, the Balancing Act Ceremony is a course designed to gently smooth the bottom of the foot, that supports the weight of the body, giving them a feeling of lightness and softness, through treatments that draw from the tradition of Eastern dexterity and the use of products that recall lands and distant horizons. All tension is dissolved by this relaxing foot massage and aroma of the champaka flower, mentioned in ancient legends as the flower of the sunset in Southeast Asia.

50 MINUTES / 100 €

VII

Andaman sea

Indian inspiration

The ceremony retraces the steps of the Indian tradition, the land of the search for harmony between mind and body. Immersed in the fragrance of coconut oil, sesame and the mysterious aromas of India that envelops the senses, this massage devotes its attention to the head, pausing to calm the mind. A rhythmic touch of Ayurveda herbs with sandalwood and patchouli covers the entire body, relieving tension and restoring the natural cadence of your breathing.
