

MEETING AREA

Three meeting rooms immersed in the quiet of the park of Lido Palace become the ideal place for business meetings or to be used as multipurpose spaces.

The rooms are in the main building and are all illuminated by natural light and easily adaptable to any type of use. Our team of chefs can customize the range of menus

suitable for business lunches and coffee breaks. All of the rooms have free wi-fi and the modern technology.

MEETING AREA

- **Albola Room**

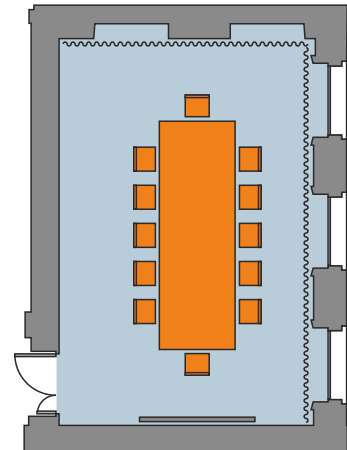

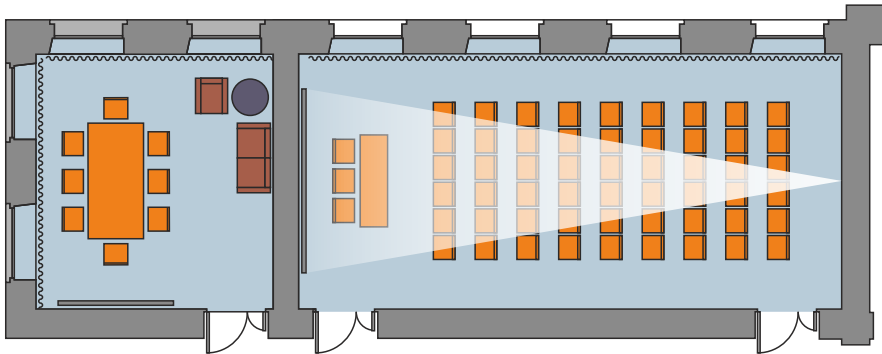

The smallest of meeting rooms, measuring 28 square metres, overlooking the park on two sides. Ideal for a classroom or a U-shape set-up; it can host small business meetings of 8-10 people. It has a video projector, screen and magnetic board.

- **Adige Room**

This 65-square-metre conference room accommodates up to 50-60 people with theater style arrangement. The chairs are equipped with retractable table to take notes. There is a speakers' table equipped with microphones. It has a video projector and motorised screen at the back of the room for presentations.

- **Sarca Room**

Equipped with a large oval table and with its 47 square metres, this room is the ideal for meetings of 12-14 participants. It has a video projector, screen and magnetic board.
