

MEDICAL BEAUTY RETREAT

DERMAL FILLER-BIOREVOLUMETRY PRO-AGING

Pro-aging means to choose how to age, restoring harmony to the shape of your face. Through an injectable filler made from hyaluronic acid, a highly pure and reliable, fully reabsorbable product, allowing you to redefine and harmonize the volumes of the different areas of the face. Corrects and fills wrinkles, lines and folds formed by aging. The stimulation effect of hydration of each treatment included in this program, returns elasticity and softness to the tissues giving a rejuvenated appearance to the skin.
